

NEXT GEN PASTOR OPPORTUNITY

Position: Next Gen Pastor

Location: Kingdom Light Christian Centre, Cockburn Central WA

Reports to: Senior Pastor

Terms of employment: Permanent part-time, 2.5 days (with opportunity for increase depending on suitability)

About us

Kingdom Light Christian Centre (KLCC) is an evangelical charismatic church committed to nurturing faith and inspiring hope to generations through living out the love of Jesus Christ. We have a passion to reach the local community whilst also believing we are called to reach the nations for Jesus Christ.

To help the church to meet these goals, we recognise the need for a long-term plan to reach and equip the next generation. This is especially important as we see this age group as the future runners to take up the baton of the church.

About the position

We are looking for a Next Gen Pastor to join the staff team on a part-time basis to lead our high school and young adult ministries (Next Gen). The role will require the individual to provide pastoral care, vision, development and leadership training for both the high school (Amplify) and young adults ministries. However, a primary focus will be placed on leading the operational running of Amplify.

Duties include

- Provide leadership, vision, training and development of the Next Gen ministries in alignment with KLCC's vision and seasonal focus.
- Develop, mentor and disciple the leadership team.
- Provide pastoral care for Amplify youth in partnership with parents.
- Coordinate and oversee Amplify Friday services, events and discipleship groups.
- Facilitate smooth transition between Amplify and the young adults group.
- Regular meetings with the Senior Pastor to discuss development and planning.
- Serve as the liaison between Next Gen and other church ministries.

The successful candidate will exhibit

- Deep passion for God, youth and young adults.
- Demonstrated ability to teach, preach and disciple leaders.
- Ability to relate well cross-culturally and amongst different generations.
- Flexible and innovative approach to ministry.
- Motivation and willingness to grow and develop as a leader.
- Understanding and alignment with KLCC culture and values.

Demonstrated experience in the relevant areas is highly desired. A current Working with Children's Check and National Police Clearance will be required prior to commencement.

This is initially a 2.5 days per week position, depending upon the successful applicant's availability and skillset to work within the needs of the church in other areas.
